

1. Degree Level and Program Name MS Endodontics

2. College/School School of Dentistry

3. Assessment Overview Briefly share how student learning outcomes assessment is conducted within your program/department (e.g. number of outcomes, examples of assignments used, and frequency of assessment).

The MS Endodontics program has three student learning outcomes, with one outcome assessed each year. Faculty assess student learning outcomes using direct measures from embedded assignments (e.g. exams, and projects using rubrics).

4. Student Learning Outcomes -Which student learning outcome(s) from the assessment plan filed with the University Assessment Team is/are being reported on in this report? Include the corresponding benchmark(s) for each outcome.

Referencing the MS in Endodontics Program Assessment Plan on file with the University Assessment Team, one outcome is being assessed in this cycle. Student Learning Outcome #2: Endodontic residents will demonstrate the ability to provide broad clinical experiences including patients with special needs, complex medical conditions, diverse cultural backgrounds and financial barriers. The benchmark for success is to have all students utilize the
